Aa
It is
summer

Just a minute Ai, what is with this carefree attitude of yours !?
It will be hot again every day
It is summer you know !!!
Speaking of summer, the beach, the fireworks and the festival events are for the season of love.
You said that too during the spring isn't it?
But, Maimin do you have a boyfriend?
For that reason, today you will be coming with me!.

The one following me is you Ai.
You know that I am not good with boys don't you!?
As usual, I do not want you to tell me what to do.
Ehh!! I absolutely will not go!!
If that is what you say, you will never be able to fall in love!.
You will be alone this summer holidays if you keep on being like this.
Uu…
Your 15th summer is only once and yet you are not coming.. Is that really ok with you!?
みんな彼氏持ち。
One problem… It is hard to take care of the school's flowerbed.
Even if I am alone, the world will still spin.
Gloomy child !!
The first high school summer is approaching.

I yearn for it but as for me it is something farfetched.
Maimin is becoming prettier.
Everyone seems to have someone they desperately love.
Sparkling and cute.
Maimin, your nails are amazing.
I wish to do the same.
It is for this summer only.
Things such as love....
Ehh, where is Ai !?
She went home in flesh
She escaped !!
I better not think about it and I will surely be at ease.

It became beautiful
Maimin might be angry at me.
I like sunflowers.
The sun will face towards it and the Sunflower will keep growing.
Ehh... It is not mine..
The phone ! Someone !?

Hello?
Who are you?
It is better for me to come out.
A.... a guy?
Umm...ahh.. I...picked up the mobile phone call.
Aa...I will be going to your location.
Where are you?
I am at the side of the pool's sunflower area.
Understood but who are you?
I don't feel like telling my name to a total stranger
I... I am...

Ai?
Ai
I am Taiyou.
Are you holding my phone?
いま

Just now..... Whoops...
what should I do now?
That Taiyou guy..?

There is no one here.
Ah ha,
you found it Taiyou !

In the morning, our homework was inspected.
3rd grade junior summer holidays
I wonder if that person left after the call?
The person must have entered the pool area.
However he…..
Tokuzawa !!
What is this!?
Why, in the morning it is not suppose to be the sunflower you know?

What if I have decided that no matter what hour of the time, no matter what minute of the time and the second or even how many times I have to do it?
I will decide about it later.
As a matter of fact I have decided to remember it.
Anyway it is still a "No".
Why?
It is freedom.
Shouldn't it be the sunflower!
He is cool.
Ai 3rd grade
I am very emotionally moved.
Oh, so your name Sakura is at the end and I should call you "Ai".
Ai ?
He became my first crush.

You have the same name as my grandma.
Ahh..
This is the first time he said my name
Eh…
And then, my first crush was over.
That boy, he will be transferring soon
Thanks to him, I got angry as he keeps calling me that
Ai Granny
Stop it young man
butsu*

*butsu - (Hitting on something)

I am sorry but it was funny.
From that time onwards, because of that I became weak with guys.
Aa ha ha ha ha ha !!!
Are you laughing at my painful first crush with all your might?
Exactly, that is why you are Ai granny.
SFX.Suuu (Pouting)
So is that your reason for disliking boys…
It was because of your first crush that makes you feel uneasy right…
No, that is now how it was !
It was because Tokuzawa had changed.
It seems like it.

There was a rumor saying that the moment he entered this school, he had been sending people to the hospital.
A fight!? A few people collapsed.
Isn't that Tokuzawa from the 5th class …
At the senior high school, I met Tokuzawa Taiyou again but he…
Had changed...

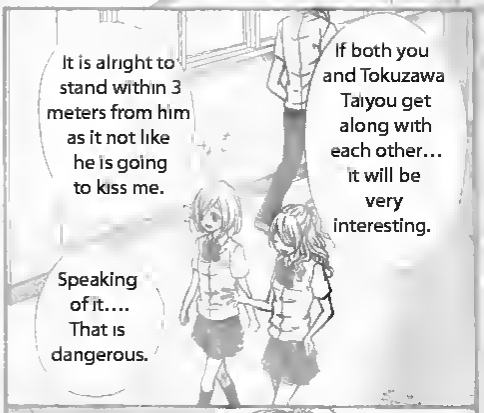
Surely..



It is alright to stand within 3 meters from him as it not like he is going to kiss me.
If both you and Tokuzawa Taiyou get along with each other... it will be very interesting.
Speaking of it.... That is dangerous.

It looks like Ai's should get associated with Tanaka from the neighboring class.
You will attain your happiness in a month time.
Then you can commemorate your 1st ever anniversary!.
Tanaka? (I don't want to talk about it)

Sun....
Err...
You must listen to this interesting conversation
Do you still remember about the Sunflower blossoms back then?
The homework inspection !! ..Seriously..
Why are we talking about this now?
Looks like he is finding someone named Ai..
What.. What?
Ai.
So that is the rumored Tokuzawa..... but does he know about you, Ai?
Do you know that person?

Ai !
He is marking out everyone !
He is searching for me..!?
What has she done to my mobile phone, that girl !
He became angry !!
Eh, you know anything about this?
If you are here, raise your hand !!
What should I do?
Yes…
Err.. I do not know..
As I expected…
What was the name I gave you in my mobile phone?
Are you looking for me.. I am Ai?

I use the word "Granny" you know!!
It was my fated encounter
Eh ?
It looks like he isn't angry at all?
However it seems they are talking about something isn't it? What was it?
Isn't there suppose to be another person with that name in our school?
I don't remember the surname but the name should be "Ai".
Was it during the 3rd grade?
A...Ah, Maimin and her seems to be spotted always together.
Let's go Maimin.
I just remembered!

Sakura !
Sakura Ai
(So you are
indeed
that person).
Just a
little
more....
I
was
waiting
.....
It was
just my
anticipation
...
Sigh....

I suddenly remembered about the person whom
I had my first crush without a reason.
At last I met you.
Granny.... I am gonna cry...
Aa... Tokuzawa and his friends.
My eyes are transfixed on his hair.
Amazing hair, it looks just like a lion.
And that is from far below.
If I walk from the opposite direction, I will still encounter more classmates.
Ai, you are following us too right?
Hot ! Hey Ai, Let's go and eat.
Let's go.

Indeed, it is very beautiful.
If you don't mind telling us a little more about him.
You even had his other school friend's picture attached to your mobile phone
I envy you, Ai..
Aha ha...
How should I say it... His grandfather was an English man. (Since Junior school, that was the color of his hair).
Ah!.. Since you said that, after looking at it... it seems like it. (The color of his hair)
You are jealous aren't you !
Hey look.. That is the impure blood guy! (Golden hair)
That is cruel to judge from this

I love my own hair.
Aren't you angry?
Why should I be angry?
My Grandma praised me. She said I got this hair colour from my late grandfather.
That is so wrong !!
That is fine then.....
To that lion, you look like a little rabbit ready to be eaten.
Little rabbit?
.....Ai..
You are losing yourself!?
Tha...That is not it... I only miss him.

The rumors about him being violent might be true. (Exactly like a lion)
Looks like I will be following these girls instead.
Maa… There are other guys around too!.
Ai…You too should cut all ties with that person whom you like.
If I just forget about my first crush
I will surely be at ease.
….Un….
Today is the day, Tokuzawa will be changing school.
Taiyou do take care.
Tokuzawa ….. It is true that he is shifting.

Ai, see you later.
Even if you are going far away, please keep working hard.
(She wanted to say it but didn't do so)

....U... Un....
I remember now, back then.. we didn't even do anything together.
(Even when we were living in the same city)
When I was a still a kid, I know that it will not last for eternity

Teacher, Ai is ...
I became very sad and I regretted it because I was unable to convey anything to him.

Hey
Please throw that rubbish into the bin.
Huh?
I am scared.....
Hey... there is no rubbish bin here
Hmm...?.. I couldn't hear it.
If I would have thrown the rubbish by myself..... I will not be in this situation
This high school girl is shaking all over.
But... It is not allowed to throw anything here.
If memory serves, up till last year there were no sunflowers here.
It is pretty, it should be the girl in front of you who grew it?

!
Ahh...
Now is the time to pluck it isn't it?
Do not touch it with your filthy hands.
Tokuzawa !!

Hey you there, what are you doing!!
As a 1st year high school student he is brave !.
So it is you again, Tokuzawa.
Why do you always act so rashly with your fist!?
Somehow there was a disagreement and.I hit him.

Ahh... That is enough.. You guys follow me.
Honest !!
They tried to destroy her flowers and it was becoming irritating.
You! I am gonna kill you.
Tokuzawa, it is about time for me to think of what punishment is suitable for you.
Since entering high school, how many times do you think this had happened?
And how many times you were told not to attend school if you dye your hair?
Err .....
なんで?
うそじゃないのに...
Why? That is not it... it is so wrong!!
It is real hair.
You are caught telling lies!!
I am sorry.

He gave in for the very first time.
….Eh….
Another brawl again?
What should I do?
I wonder why she is looking so pale?
What should I do?
Moreover, they had known each other for 3 years.
Tokuzawa was suspended from school.

It was entirely my fault
Hey Ai, It was right not to get too close to him.
You are wrong.
Eh…?
Tokuzawa was not at fault.
Sunflower
…..
It was because he protected it.
Ai!?

Teacher !
Oh, Sakura.. what is the matter?
Apologize to Tokuzawa
You are mistaken .....
This morning you were unfortunate to be in it but from now, you will rarely see him.
Go for it Ai.
Now?
The faster you apologize the better it will be.
But....
Now, it is the showdown!

I am afraid of the group…
It is just once and it isn't that scary…
It is about time.
I am bound to be in trouble.
….Ah
E…. Err….
Amazing…. She is trembling..
who do you have business with?
Err…..
The suspension has been cancelled.

Thank You.
Why does he always say it first?
Ehh ....
Ahh ...
She ran away, Taiyou.
Shut up.

Earlier, It was very difficult for me to say it out.
But I have so many things that I want to tell him.
I couldn't tell what I want to tell.
私
I haven't even changed one bit since I was a young kid.

I wanted to be
like the sunflower.
I have to be straightforward and tell him what I wanted to say.
入学式

This feeling that I have...
I am sorry.
Only now I realized about it.
I even neglected the mobile phone.
It is important to settle down in school.
The flowers look like the bright sun.
I am sorry.
Only this time,
It will be better for me to tell him.

Regarding your intention .....
Of protecting me, I wanted to convey my thanks.

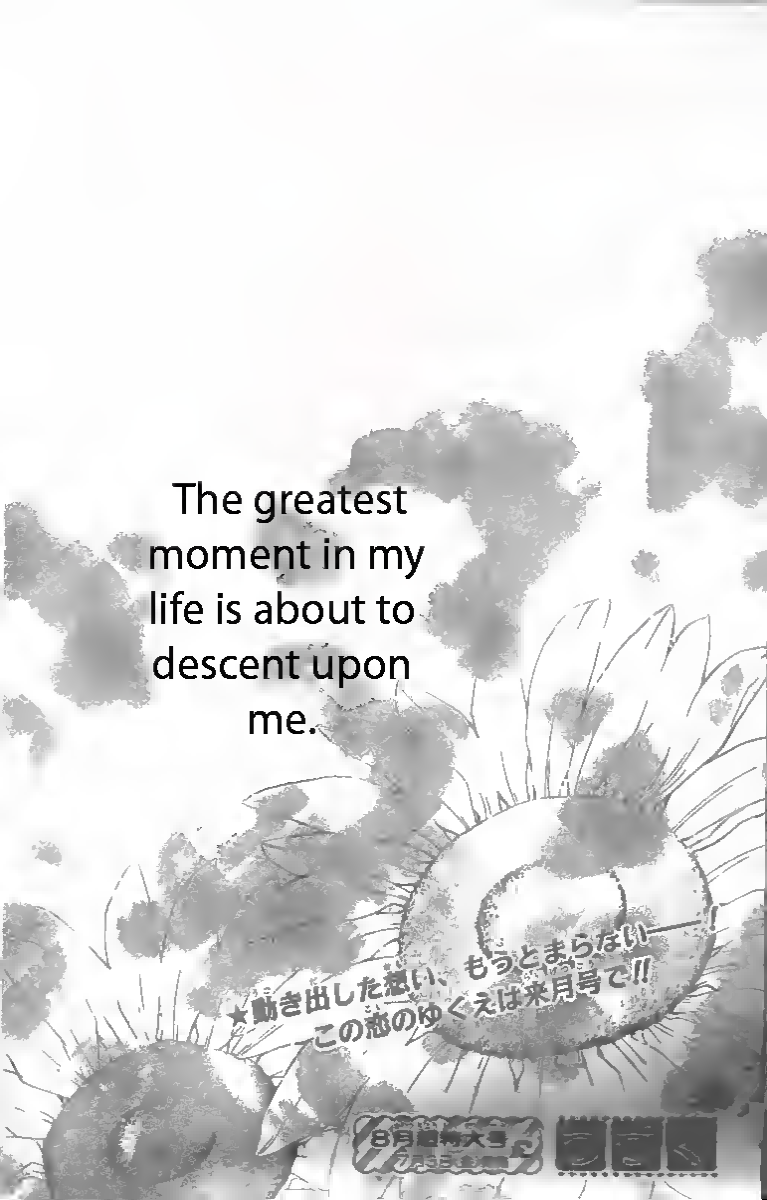
Sunflower....
My grandma loves this flower the most.
That is the source of my name.

In addition, you became a crybaby.
Ai Chan.

His grandma had the same name as I have..
My grandma made it up for me.
It is very cool.
You love your grandma a lot isn't it?
Yeah.
The name Taiyou is lovely.

The way
he laughs
didn't
change
at all.

My 15th
summer
on this
world....



The greatest moment in my life is about to descent upon me.
